With the conclusion of the 2013 Wilson Junior Olympic Championships this past weekend, the US Junior National Team has been named. These young players, the future of American racquetball, are preparing to represent our country at the Junior Worlds Racquetball Championships this fall in Sucre, Bolivia.

You can help support the team and give these developing players an experience of a lifetime. As we celebrate the nation's birthday, please consider a donation to the US Junior National Racquetball Team. Donations assist with travel costs to the Junior Worlds in Bolivia.

Donors of \$100 or more will receive an Olympic Rings windbreaker. Donate today as these windbreakers are available while supplies last. Colors and sizes based on availability. Donors will be emailed for fulfillment information.

If you would like to donate airline miles or send words of encouragement to our team, please contact the national office at 719-635-5396.

We want to congratulate Mauro Rojas, Stockton, CA on his appointment to the US Junior National Team & Sebastian Fernandez, San Diego, CA

Antonio Rojas, Stockton, CA, Vedant Chauhan, San Ramon, CA & Heather Mahoney, Penngrove, CA for making the Esprit Team.

Between now and October, there will be a big push to help raise the money to get these kids to Bolivia at roughly \$3500 per player. Anything you can do to help will be greatly appreciated and is a tax deduction through either the CNRA or the USRA.

You may donate on either the [USARacquetball.org](#) site or the [CaliforniaNevadaRacquetball.org](#) site.
